O little town of Bethlehem how still we see thee lie
Above thy deep and dreamless sleep the silent stars go by

So God imparts to human hearts the, Blessings of His heaven

Follow the Light - A Parody of “Stayin’ Alive”

Josh, Jay and Brandon

Well you can tell by the way our camels walk, we are on a quest, no time to talk.

We’re searching for a baby boy, He will bring us hope, He will bring joy.

You know we’re alright and we’re ok, we’ll find the baby in the hay

The journey’s far across the land into the town of Bethlehem

We don’t really know where, we need the star to get there

Choir: So we follow the light, follow the light

I know that we are able to find the baby’s stable

If we follow the light, follow the light.

Choir: Ah Ah Ah Ah follow the light, follow the light

Ah Ah Ah Ah follow the light-----

(Well here we go!)

We cross valleys low and mountains high

But if we see the star, we will get by

When we find him we will praise and sing

For the baby boy our Savior King!

You know we’re alright and we’re ok, we’ll find the baby in the hay

The journey’s far across the land into the town of Bethlehem (to*)
